Practice Rounds

Rules of Golf

Play shall be governed in accordance with the Rules of Golf of the United States Golf Association, as modified by the PGA TOUR Local Rules and Conditions of Competition card and supplemented by the Notice to Competitors. Questions or disputes (including equipment rulings) shall be settled by the on-site Rules Committee appointed by the PGA TOUR, whose decision shall be final.

Groove Specifications

Open Qualifying contestants **MUST** use equipment which conforms to the 2010 Condition of Competition for Groove Specifications as implemented in the PGA TOUR, Champions Tour and Nationwide Tour Local Rules and Conditions of Competition (Hard Card). This condition shall **NOT** apply to Pre-Qualifying. The complete specifications for grooves in elite competitions along with a public database listing conformity of many clubs can be found at USGA.org or by contacting the USGA Equipment Standards Department at (908) 234-2300. Players should confirm that their equipment conforms to the new specifications well in advance of the competition and should be aware that conforming equipment must be used in Open Qualifying, even if a player is successful in pre-qualifying with non-2010 conforming grooves.

If, before or during the competition, a player has doubt as to the conformity of a club, PGA Section officials will attempt to determine the status of the club(s), but play will not be delayed in doing so. There will be no on-site field testing for groove conformity at Open Qualifying. In the event conformity is still in question and this affects which players advance through the qualifying, the club(s) will be taken to the tournament site for testing. Should the player be disqualified as a result of the test, the Open Qualifying spot(s) will be replaced by the next player(s) on the PGA TOUR alternate list.

In the event that it is discovered that a player's club(s) do not conform after the close of the competition, the provisions of Rule 34 of the Rules of Golf shall apply.

Spike Policy

The use of traditional metal spikes is permitted during the Competition. Soft spikes may be required during practice rounds at the discretion of the host facilities.

Players are not required to have a caddie; they may carry their clubs or use a manual or motorized pull cart. Players **are permitted** to ride during a **Pre-Qualifying** round.

Anyone seeking a golf cart due to a disability defined under the Americans with Disabilities Act (ADA) should contact the PGA TOUR Competition Department at (904) 285-3700 to obtain information on procedures for submitting such

requests. All such request due to temporary injuries or impairments that do not qualify as a "disability" under the ADA will not be granted.

Caddies: While on the host facility property, caddies may wear either long pants or tailored solid colored knee length shorts. Blue jeans, cutoffs, T-shirts or shirts with no collar shall not be worn. Smooth rubber sole shoes are required. Sandals, open toe shoes, and golf shoes with traditional metal or soft spikes are prohibited.

Conduct

While on host facility property during qualifying rounds; players and caddies shall conduct themselves in a professional manner. PGA TOUR reserves the right to remove a player from the qualifying competition for; non competitiveness; conduct unbecoming a professional by the player; conduct unbecoming a professional by the players' caddie.

Reduction or Cancellation

Any reduction or cancellation in the respective qualifying competition shall be in accordance with Reduction/Cancellation Guidelines as found in the PGA TOUR Tournament Regulations. In the event that the competition is canceled without any player having been able to play, all entry fees will be refunded. In the event the competition is canceled after play has begun, all entry fees will be refunded, minus a \$25 administrative charge per player.

If in the judgment of the on-site PGA TOUR Rules Official or designee, whose decision shall be final, conditions render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the PGA TOUR Rules Official or designee determines that such weather conditions or other occurrences or conditions have improved sufficiently for play to commence or resume.

In situations involving adverse weather conditions or any other occurrence or condition, our first priority is the completion of the qualifying competition. Every effort will be made to achieve this objective by the end of the scheduled competition day.

In the event the qualifying competition cannot be completed by the end of the scheduled competitive day, play will be extended. Every effort will be made to complete the qualifying competition as soon as possible. The Open Qualifying competition will not continue beyond the end of the day immediately preceding the first scheduled tournament round of the competition. In the event the 18 hole Open Qualifying is unable to be completed, qualifying spots will be filled by the next available players on the PGA TOUR Alternate List.

PGA TOUR Reserves the right to change the format, venue(s), qualifying spots and other criteria as presently contemplated.
